

Maths Number Formation Rhymes

Around and round and round we go,
When we get home we have a zero.

Start at the top and down we run,
That's the way we make a one.

Around and back on a railroad track
Two, two, two

Around the tree and around the tree,
That's the way we make a three.

Down and over, down some more
That's the way we make a four.

Down and around then a flag on high
That's the way we make a five.

Down we go and make a loop,
Number six makes a hoop.

Across the sky and down from heaven,
That's the way we make a seven.

Make an 's' and do not wait
When it's joined up you have an eight.

Make a loop and then a line,
That's the way we make a nine.

Please practise writing these numbers at home using these rhymes.
